# OMGP Sponsored Youth Scholarship Program 2011 Application

Oregon Meat Goat Producers encourages and supports youth involvement with meat goat education. To demonstrate this endorsement of educational activities and collaborative learning opportunities, a scholarship program was established within the organization to grant financial aid to students. Funds will be used to provide a foundation for financial assistance to students for many types of youth meat goat projects. Applications will be reviewed by the OMGP Board of Directors and funds could be granted based on merit and/or need.
