# OMGP Sponsored Youth Scholarship Program Application

Oregon Meat Goat Producers encourages and supports youth involvement with meat goat education. To demonstrate this endorsement of educational activities and collaborative learning opportunities, a scholarship program was established within the organization to grant financial aid to students. Funds will be used to provide a foundation for financial assistance to students for many types of youth meat goat projects. Applications will be reviewed by the OMGP Board of Directors and funds (up to \$100) could be granted based on merit and/or need.
